

GlammFire

Tuli (gas)

Inspired by nature in its purest state, Tuli distinguishes itself by its imposing posture and strong ego, where the elegance and accuracy of its lines stand out strongly.

Its solidity and deep look allow it to engage in different environments, with more focus on the exterior.

The terrace gets a new role.

Tuli (gas)

Third option - 4 supports

To put the supports in your fireplace you must search the right place in the sides and fix them very well before you put the ashtrays.

Placement of the 4 supports in the position chosen (height 800mm/953mm).
