

CreationPlus

Evolving the perfection of fire.

Technical Data Sheet

Urban EVOPlus

Urban EVOPlus

Urban EVOPlus is a model with an exclusively urban and contemporary attitude.

At the point where design meets functionality, its seducing elegance is highlighted. High-quality materials, attractive lines and customization possibilities unite themselves to provide you an enjoyable experience of comfort.

Turn your environments more quiet and familiar.

Urban EVOPlus

Why choosing Crea7ionEVO :

- **Fire Line** - Linear and continuous fire line.
- **Combustion area**—Custom dimensions, from 400mm to 2400mm.
- **Safety** - Equipped with multiple safety sensors .
- **Display** - Provides a better user experience.
- **Language** - Language selection.
- **Remote Control**—Practical and functional.
- **Battery**—Does not require electrical installation.
- **Tank** - Capacities: 3L, 5L,8L and 10L.
- **Materials**—High-quality materials (Titanium and Stainless Steel). High durability.
- **Installation** -Even more compact dimensions.
- **Automatic filling system**—Automatic filling system, practical and clean.
- **Displaced automatic filling system**—Provides the comfort of an automatic supply distanced from the installation site.
- **Home Automation**—System equipped with the highest technology, with built-in home automation.

Urban EVOPlus

Crea7ionEVOPlus security:

- **Levelling Sensor** - The system turns off in case of unevenness or falling.
- **Leakage Sensor**—The system turns off if there is some kind of leak or fuel/liquid spill.
- **Vibration Sensor**- The system turns off in case of accidental shock.
- **Tank door locking system** - The tank door locks while the system is running for user safety.
- **Smothering the combustion fire line**—The system turns off immediately if it is smothered by something.
- **Spillage on the combustion fire line**—The system turns off if it detects an increase of liquids in the combustion line
- **Overheating**—The system turns off if it detects an overheating that can arise from poor ventilation.

Urban EVOPlus
